Sirasa Super Star Surendra Perera

Sirasa SuperStar (Lankan Idol) is a musical reality show conducted in [Sri Lanka](#) by the TV channel [Sirasa TV](#). Its aim is to find the most talented upcoming singer in the country. The competition’s first season began in mid 2005 and ended in March 2006. Season II is currently underway. Sirasa SuperStar is similar to the musical reality series: Pop Idol.

The man behind this crowd-pulling mega TV show is the Executive Producer, Sirasa Superstar, Nilendra Deshapriya, who considers [Sirasa Superstar](#) a ‘religion today’. As the grand finale is round the corner, Nilendra and his team are geared up to present the show as, ‘The Biggest Television Event Ever’ seen in Sri Lanka, with 100 finalists on one stage!

The final show is held at the Sugathadasa Indoor Stadium, among a large audience. According to the number of votes received by each contestant on that day, the one with the higher number is crowned the Sirasa Superstar and the other becomes the Runner-up. For Season II, the winner, will be awarded a Rs. 3.4 million worth car, in addition to the prestigious trophy.

i think suredra has the right talent, but unfortunately his opponent is not even close to him. i'm really worried since we will not be able to see a good competition.

when i write this comment Pradeep has won the contest. i wish him all the best but he does not possess what the entertainment industry wants.

No doubt you are the real super star. The entire nation is on your side. You are the best, Good Luck and best wishes for your future endeavours.

When everyone was trying hard to imitate other singers voices including Dr.Pradeep, you sang with your own authenticated voice. No one can argue with that. Your voice is unique and specific. Thank god we have people like you in our country. We need you !

Surendra, We just cant believe that you did not win. Dialog is responsible for not allowing SMS for surendra during last 2 hours but for pradeep. It is very very unfair. We have lost faith in Dialog. No two words, we consider SURENDRA as the SUPER STAR. we are there for you Suren go ahead.

Surendra!!! you are the one & only super star for us. We are all shocked aout the decision as Surendra's Smss did not work. God only knows what happened. Anyway Winning the trophy is immaterial. Real Super Starts Lives in peoples hearts. Some poeple say that Pradeep can sing any song. Can everyone sing "Nilla Nagana" or " Gove Ganu paradai". The way Surendra sang those songs I have no words to explain. Anyway Surendra Congratulations and Very Best Wishes. You are our SUPER STAR and we are always with you.

.still am pretty shocked about the decision but it i know it was your night of glory and not someone elses..... you the best bro!!!!!!

Surendra Putha, God has gifted you with a divine voice. A heart soothing voice. Who can compete with you. SMS business is immaterial for us. You have spoken to our hearts. You have a big responsibility towards the people who are burdened with many hardships. God has entrusted a mission for you, that is to soothe their hearts.

Remember, in this country no place for the real talents, but this is our Mother Lanka. Let us fulfill our responsibility towards our Mother Lanka. May our heavenly Father bless you abundantly.

Good Luck Surendra for a wonderful, creative musical career.
